

FOLLOWING PRACTICES ARE BEING FOLLOWED FOR STUDENT'S SUPPORT:

- ✓ Class tests to improve performance.
- ✓ Guidance & Counselling services for students.
- ✓ Library support for students.
- ✓ Access to ICT resources and Internet.
- ✓ Extra remedial classes for academically low achievers.
- ✓ Specific Teaching strategies for advanced & slow learners (Advanced Learners are encouraged to read reference books, access Internet for extra material and prepare their own notes. Whereas, slow learners are given remedial classes).
- ✓ Mentoring of students is done by each teacher by allotting a particular group of students to her/him.
- ✓ Pre-practice teaching period for providing knowledge about various skills and methods of teaching.
- ✓ Participation of students in extracurricular activities.
- ✓ Students feedback on various aspects through suggestion box and other mechanisms.
- ✓ Student's contribution in planning various activities as per their requirements .
- ✓ New ideas and suggestions from all stake holders.
- ✓ Democratic working through student's committees.
- ✓ Interaction of the students with the chairperson and Principal of the College.
